

## Application for Volunteer Service

Thank you for considering service to your community through work on one of our Commissions or Boards. It takes a lot of volunteers to keep our city moving forward and we are pleased that you are interested in helping!

While there is a list of possible volunteer positions below, there may not be an opening at the time you complete this application. It is our policy to keep your information on file for when an opening occurs so please help us keep your contact information current if you continue to be willing to serve. When an opening occurs, the applications are reviewed for a potential match and the information you submit is reviewed by the Chairperson for that Commission or Board and the mayor. Candidates may be asked to interview or attend a Commission or Board meeting to be introduced to the other members prior to a vote being taken. The mayor makes the appointments to open seats with the confirmation by the Board of Aldermen during one of the bi-monthly City Council meetings.

It is very important that you understand the time and effort required to serve successfully within our Commissions/Boards because the frequency and length of meetings varies greatly. Some of the positions have a minimum age and residency requirement. Additional information is available from Committee Chairs or from the City Clerk.
