ACCOUNTANT'S COMPILATION REPORT

Honorable Mayor and Board of Aldermen
City of Battlefield, Missouri

I have compiled the accompanying balance sheet– modified cash basis of the City of Battlefield, Missouri (City of Battlefield – a government entity) as of October 31, 2015, and the related statement of revenues and expenses – modified cash basis for the four months then ended. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements and supplementary schedules are in accordance with the modified cash basis of accounting.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The supplementary information – modified cash basis is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to the City of Battlefield as of and for the four months ended October 31, 2015, because I performed certain accounting services that impaired my independence.

This report is intended solely for the information and use of the mayor, board of aldermen, and management of the City of Battlefield and should not be used for any other purpose.
