

News Release: December 14, 2018

### Greene County Property Taxes

Most personal property and real estate tax bills were mailed on October 31<sup>st</sup> and are due by December 31<sup>st</sup>. Here are a few things to know.

1. If you didn't get a bill or misplaced your bill please look on our website [www.countycollector.com](http://www.countycollector.com) and print one from there. If you can't find one there, you need to call us at 868-4036.
2. Payments must be postmarked by the US Postal Office or made on our website on or before December 31<sup>st</sup>.
3. To save taxpayer dollars, we stuffed as many matching statements as possible in the same envelopes. For example personal property and real estate statements may be in the same envelope. They can sometimes stick together like two new twenty dollar bills.
4. By far the best way to pay is on our website. No stamp. No lines. No waiting for a receipt to arrive in the mail. [www.countycollector.com](http://www.countycollector.com)

For media questions, contact Leah Betts at [lbetts@greencountymo.gov](mailto:lbetts@greencountymo.gov) or at the Greene County Collector's office at 417-868-4037. **The public phone number is 868-4036.**
